

Crónica Entrenamientos – Sábado 13 de diciembre de 2008

La prueba se ha iniciado con las tradicionales verificaciones administrativas y técnicas, realizadas todas ellas por la mañana. Destacar que por problemas mecánicos de última hora no ha podido tomar parte en la prueba el equipo del AC d'Andorra formado por Isidre Loan, David Catalán y Lluís Sala, ni tampoco el equipo de Motor Competición formado por Francesc Gutiérrez, Marc Carol y Josep Codinach, por tanto finalmente han sido 28 los participantes totales

A partir de las 15h. se ha dado comienzo a los Entrenamientos Libres que han tenido una duración de 45 minutos. Seguidamente, a las 16:00h. han tenido lugar los Entrenamientos Oficiales Cronometrados con una sesión igualmente de 45 minutos.

Las tres primeras posiciones de la sesión calificativa han sido para equipos de la Clase 2 (vehículos hasta 2.000cc), concretamente Cànovas/Cànovas (Team Cànova/Opel Astra GSI 2.0) han sido primeros con un tiempo de 1:04,868, seguidos de Agustina /Barcons (Team's Racing/Opel Kadett GSI 2.0) con 1:04,927 y la tercera plaza ha sido para Costa/Belmonte (RC Racing/Opel Corsa 2.0).

Por lo que respecta a la Clase 1 (vehículos hasta 1.600cc) el equipo que ha conseguido el mejor crono ha sido el formado por Serrat/Jiménez (Serrat Competició/Peugeot 106) con un tiempo de 1:05,651, seguido de Bolta/Gel/Vilanova (Tresina Sport/Peugeot 205) con un tiempo de 1:08,136 y la tercera plaza ha sido para Domingo/Domingo/Vicens (Pista i Rally/Peugeot 205) y un tiempo de 1:08,182.

Crónica Entrenamientos – Sábado 13 de diciembre de 2008

Destacar que al finalizar el Briefing (Reunión informativa del equipo de Dirección de Carrera con todos los participantes) se ha resaltado por parte del Presidente de Escuderia Lleida la participación femenina y se ha entregado un detalle a las 5 participantes de la prueba, Marta Reyes, Marina Font, Núria Brugulat, Eva Rodríguez y Amalia Vinyes.

Ya terminada la sesión, las condiciones meteorológicas han tomado el protagonismo ya que, una fuerte y continuada lluvia no ha dejado de caer durante la tarde noche, hecho que ha afectado al acondicionamiento y mantenimiento del circuito y por tanto provocará que las condiciones del circuito se prevean complicadas para el “warm up” y la carrera de 4 horas de mañana.

Ahora solo queda esperar que deje de llover para que mañana se pueda contemplar un gran espectáculo en el Circuito Off-Road de Lleida.

*Adjuntamos clasificación de la sesión calificativa e histórico de cada equipo participante.
